## **Your reasonable supplier of Pumps & Motors.**

**VARIABLE PISTON PUMPS**

**FIXED & VARIABLE PISTON MOTORS**

Findway Hydraulic Source carry a wide variety of reman & aftermarket piston pumps & motors from a variety of manufacturers including Rexroth®, SAI®, Sundstrand®, Eaton®, Vickers®, Denison®, Parker®, and many others. Both our reman and aftermarket units are built with parts that meet or exceed OEM spec and are fully tested before they leave our facilities.

### **Why you choice us:**

- 1, We stock and support a long list of manufacturers hydraulic components like Piston pumps & motors, that are commonly found in today's Construction application. This support includes reman units and aftermarket units that deliver OEM level performance, high quality replacement parts and first-class repair services
- 2, Due to our vast inventory and capabilities, we are sure to have the units and parts you

need most, available in stock - ready for immediate delivery from our stock shop to the worldwide.

3, All units, remanufactured and repaired, are tested before leaving any of our facilities.

This ensures your unit is set to OEM specifications and will deliver OEM level performance. We are so confident in the quality and reliability of our products and services

that we back them with an industry leading warranty: 18 months from the

time of purchase, 12 months from the time of install.
